

The Edinborough Park Press

Park Happenings

Edinborough Park is in the midst of many exciting projects and upgrades.

Pool Ventilation

The current system was installed when the Park opened 21 years ago. The new Desert Aire system will be installed at the End of November. The annual Pool and Track maintenance shut down has been delayed until then. Please see the memos on the locker room doors and kiosk for up to date information.

Fire Alarm

With our Trees living far past their life expectancy and technology and fire codes changing significantly, we are in need of a new Fire Alarm System. We will be upgrading the Park's original system and the new system will be in place by mid October.

Great Hall Floor Replacement

After 21 years it is also time replace our Great Hall Floor. This project will require the Great Hall to be closed Sept. 10–Sept. 19. We apologize for the inconvenience, but are sure it will be worth it!

Adventure Peak Addition

We are thrilled to unveil the new exciting drop slide and many other awesome play features to the Peak. Construction will begin September 2nd. We will try to keep the structure open through the entire project, but please understand that there may periodically be events closed to make way for the new ones. Construction should be completed by the end of September.

Thank you for your patience through these projects!

Wi-Fi

Edinborough Park is going wireless. Bring your laptop to keep up on email as your children are climbing the Peak. Don't forget to join them from time to time. It is great exercise!

Halloween Party

Attention boys and ghouls! Edinborough is offering another night of fun, excitement and a little bit of fright. Join in for trick-or-treating, games, a comedy show and much, much, more. Friday, October 24; 6-9 p.m.

\$5.50/ child; Adults free with paying child. Purchase your advance tickets today!

Labor Day Hours

We will be open 9:00 a.m.–1:00 p.m.
