## Park Happenings

### Our Environment

Edinborough Park is very unique. Did you know we have over 6,000 live plants and trees. Many of our Norfolk Pines have lived in Edinborough for over 22 years. Their original life expectancy was less than 10 years in an indoor environment. Cindy, our horticulturist, worked McCaren Designs on the initial installation. She did such a great job that the City hired her in 1987 and has been here ever since.

### Wi-Fi

Edinborough Park has a new FREE wireless network. Log on to Edinborough Peak or Edinborough Theater.

### Adult Supervision

Edinborough Park is a great family destination. Please remember that Youth under the age of 14 must be supervised by an adult at all times.
